SECTION 3 - SCOPE OF WORK

REQUEST FOR PROPOSALS FOR DEVELOPMENT OF THE FORMER GOVE ELEMENTARY PROPERTY (900 S.E. Avenue G, Belle Glade; PCN: 04-37-44-05-01-004-0010)

This solicitation is to generate proposals from qualified developers to evaluate the former Gove Elementary School Property (described below) to provide a development plan for the planning, design, financing, construction and management of the site as a vibrant and sustainable workforce housing development (not to be confused with affordable housing) as defined by Palm Beach County with directly associated related uses/amenities, including a detailed schedule for the implementation of the project from award of the RFP through full occupancy.

Workforce Housing can include single family homes, town homes or combinations for sale or ownership. The development plan should be sensitive to and compatible with the surrounding residential neighborhoods, parks, new Gove Elementary School, and other existing uses.

The City has demolished and removed 17 portable buildings. (see the redline area in the attached Exhibit "C"). This demolition will no longer be a requirement of the developer. Additional funding up to \$800,000 will be provided by Palm Beach County (PBC) from the federal Neighborhood Stabilization Program (NSP) as follows:

NSP FUNDING

Palm Beach County has made available up to \$800,000 of federal Neighborhood Stabilization Program (NSP) funding for the costs of demolition and clearance of the project site. The funding would be provided to the selected project developer through a NSP funding agreement between the County and the developer. Provision of a NSP agreement is subject to satisfactory results of County underwriting of the selected developer/project, and is subject to final approval by the Board of County Commissioners.

Workforce Housing as defined by PBC is not to exceed 140% Area Median Income, but NSP requires that a subset of housing units within the project serve households with incomes no greater than 120% of Area Median Income for no less than 20 years. The number of these NSP-assisted housing units must be no less than the proportion of NSP funds in the total development cost. (Example: If total development cost is \$20M and NSP assistance is \$1M, then no less than 5% of the total housing units in the project must be NSP-assisted units). Title to the project site, and ultimately the NSP-assisted housing units, will be encumbered to secure the NSP investment and affordability requirements.

All uses of Federal funds are subject to applicable regulations of 2 CFR Part 200. Other federal requirements include Davis Bacon and Related Acts (payment of prevailing wages in construction), Section 3 of the Housing and Community Development Act of 1974 (opportunities in contracting), Section 109 of the Housing and Community Development Act of 1974 (non-discrimination), Executive Order 12246 (equal employment opportunity), Non-Collusion, Anti-Kickback, and others.

Palm Beach County will not provide NSP funding if the successful respondent to the RFP will be using the site to meet it's Palm Beach County Workforce Housing commitment/ requirement.

For NSP information regarding requirements, forms, contract clauses, etc., email Neil Appel, Purchasing Manager nappel@belleglade-fl.com.

The awarded developer will be responsible for obtaining, at its sole cost and expense, all architectural and engineering services, surveys, site plan submissions and approvals, appraisals and environmental studies and any other item or service required in connection with the project. The awarded developer shall obtain, at its own expense, all necessary permits, pay all licenses, fees and taxes required to comply with all local ordinances, state and federal laws, rules and regulations applicable to the project.

It will be the responsibility of the developer to design a plan for playground equipment of significant value for Mace Park and to acknowledge that responsibility in their response.

Copies of the original as-built drawings on thumb drives are available from The Office of The City Clerk located at 110 Dr. Martin Luther King, Jr. Blvd., West, Belle Glade, FL 33430-3900. CONTACT INFORMATION; D BUFF, CITY CLERK, 561-996-0100 Ext.2113, dbuff@belleglade-fl.com.

PROPERTY/SITE DESCRIPTION:

The former Gove Elementary Property is just over 10 acres with buildings (some over 48 years old) located on the property- **see Exhibit A**. In 2013, the Palm Beach County School District replaced the Gove Elementary school on a site adjacent to the former school property. On April 29, 2020, the Palm Beach County School District deeded the former Gove Elementary School property to the City of Belle Glade with deed restrictions that the property be used for "Workforce Housing and directly related associated uses." Workforce Housing for this deed as defined by PBC is housing affordable to natural persons or families whose total annual household income does not exceed 140 percent (NSP funding 120%) of the area median income for Palm Beach County, adjusted for household size.

BACKGROUND:

To satisfy the deed restrictions placed on the City, the City of Belle Glade is soliciting development proposals for the site to include demolishing the existing structures and building Workforce housing to maximize housing units within the City. The City intends to deed the property to a developer (using a Quit Claim Deed, the same deed type that the Palm Beach County School District conveyed the property to the City) at no cost with restrictions that the property will be developed in accordance with the development plan and be used only for workforce housing and directly associated related uses. The City does not plan to request a change to the terms of the conveyance. Revert clauses will be added to the deed to ensure agreed deadlines and property uses are met.

ZONING

The former Gove school property is currently zoned as R1-residential based on the past use of the property. The City anticipates that the R3-Residential zoning would allow the density required for this development project. City staff would support the rezoning action before the City Commission.

The current zoning of the Old Gove Elementary School is R-1, Residential Single Family only.

The P.U.D. may be an option considering that there can be a mixture of single family, and recreational use. R-2 limits the development to only single family, duplex, triplex and quadplex.

Information on zoning designations is available on the City's website (bellegladegov.com) under "Your Government"-Code of Ordinances, Chapter 31.

SECTION 4 – QUALIFICATIONS

The City of Belle Glade (hereinafter referred to as the City), is accepting submittals from qualified firms or individuals to provide services as stated per the Scope of Work. Since the City must make a determination of a firm or individual's qualifications prior to their selection, the Qualifications Package of this Request for Proposals shall be used by the City to make this determination. Additionally, evaluation points shall be assigned to information contained in the package to aid in reducing the total number of submittals to a short-list of firms. Short-listed firms may be invited to make presentations and / or be interviewed for final evaluation.

Qualification submittals shall be considered from qualified firms or individuals whose experience includes successful work in similar projects and under similar conditions in the State of Florida. Also, the firm must have a sufficient number of qualified staff in the applicable disciplines to complete the work in the time required and in accordance with State of Florida statutes and standards, if applicable.

Development plans shall provide for ownership or purchase requiring paying ad-valorem taxes.

5.4 Responses to the RFP must be signed in ink by an authorized officer of the proposing firm, who is legally authorized to enter into a contractual relationship in the name of the Proposer. 5.5 Neither the City nor its representatives shall be liable for any expenses incurred in connection with preparation of a response to this RFP. All Submittals should be prepared to provide a straightforward and concise description of the respondents' qualifications and ability to meet the RFP requirements.

5.7 If you propose to joint venture or use outside professional services for any of the project requirements all such information must be included in the Submittal Package. Do not have individual "team" firms send in their own submittals.

SECTION 6 - AGREEMENT

define the rights, duties and obligations of the parties. This contract will be active concurrently with the Palm Beach County NSP agreement executed by the developer and Palm Beach County.

6.4 Once the awarded developer and the City execute the Development Agreement, the City anticipates transferring the property by quit claim deed to the developer (the same deed type that the Palm Beach County School District used to convey the property to the City). The deed will include reverter clauses if the property is used for other than workforce housing and directly associated related uses or if the developer fails to comply with the timelines set forth in the Development Agreement.

6.5 Any contract(s) resulting from this RFP shall be governed by the laws of the State of Florida. The selected Developer will also be required to comply with all applicable laws, ordinances, rules, regulations and contract provisions.

1. CONTRACTOR and SURETY, jointly and severally, bind themselves, their heirs, executors, administrators, successors and assigns to CITY for the performance of the Construction Contract, which is incorporated herein by reference, pursuant to the requirement of Florida Statute 255.05.
2. THE CONDITION OF THIS BOND is that if CONTRACTOR:
 - 2.1 Fully performs the above mentioned Contract between CONTRACTOR and CITY within the calendar days after the date of contract commencement as specified in the Notice to Proceed and in the manner prescribed in the Contract;

 - 4.1 After investigation, determine the amount which it may be liable to CITY and, as practicable after amount is determined, tender payment therefor to CITY
 - 4.2 Deny liability in whole or in part and notify CITY citing reasons therefor.
5. If the provisions of this Paragraph are void or prohibited by law, the minimum period of limitation available to sureties as a defense in the jurisdiction of the suit shall be applicable. Venue for the purposes of all litigation shall be in Palm Beach County, Florida, exclusive of all other venues. This provision is intended to be a mandatory venue provision.
10. Notice to SURETY, CITY or CONTRACTOR shall be mailed or delivered to the address shown on the signature page.
